M/S RANGPUR LEAF TOBACCO

M/S RANGPUR LEAF TOBACCO

Rangpur Leaf Tobacco is a reputable and esteemed entity in the Bangladesh tobacco industry. As a joint venture between Bangladesh and Spain, our company has established itself as a prominent international tobacco enterprise with a diverse and skilled workforce.

With over 85 years of operational excellence, Rangpur Leaf Tobacco has cultivated a distinguished reputation for delivering exceptional quality products to clients globally. Our extensive expertise and rich legacy have enabled us to emerge as a leading player in the international tobacco market.

Our group of concerns includes Leaf & Jute Iberian S.L. (Spain) and Manifattura Mediterranea SRL (Italy), operating as a leading tobacco company with our own factories. We source tobacco leaves directly from various districts in Bangladesh, followed by meticulous processing and delivery to our esteemed clients.

As a family-owned business, we pride ourselves on our hands-on approach, ensuring every product meets our stringent quality standards. Rangpur Leaf Tobacco is renowned for its superior tobacco quality and exceptional customer service.

Our commitment to quality has fostered a loyal global client base. We export premium tobacco products to the European Union, Middle East, Africa, and Asia, maintaining a dominant position in the Bangladesh domestic market while expanding our international footprint.

At Rangpur Leaf Tobacco, we prioritize consumer satisfaction, shareholder value, and valued employment. As a responsible corporate entity, we acknowledge our role in addressing global concerns and strive to uphold uniform professional production standards across all our facilities.
